Storage System

Makes every inch count.

## Flexible Storage Solutions For Evolving Workplaces

A good storage system just provides space for storing physical documents. A great storage system optimises floor space, improves workflow, and enriches productivity.

Meet Gain Pro. The storage solution for all your storage needs, and then some more. Thanks to its flexibility in configuration, you can now create specific storage layouts that best augment your process.

### Wall-to-wall Storage Solution

Gain Pro makes the most of your office space. No matter the size of the room, every available space, from floor to ceiling and wall to wall, is aptly utilised to meet your storage requirements.

### Unmatched Security

Gain Pro's storages can be paired with any of our secure locking systems, be it Cam, Digital or Numeric locks, all with 3-point locking mechanism, based on the security setup required in your office space.

### Multiple Combinations & Configurations

Choose from an array of finishes, materials, shades, and variants to create bespoke solutions for your organisation. Gain Pro's metal & glass combination door units are ideal for displaying awards, books, collectibles and mementos and adding prestige to your executive spaces.

Made in-house, in India with a thorough understanding of Indian office needs.

## Designed For Versatility

Gain Pro is tailored to suit diverse settings like corporate suites, open offices, guest lounge, waiting rooms, reception areas etc. Its open display allows easy referencing and is ideal for interactive spaces.

Its features are augmented with unique colour combinations, and the ability to combine wooden and steel surfaces to create open and closed storage. It comes in two different heights with enhanced loading levels, making it suitable for versatile settings.

## Locks 3 Ways. Secures Every Way.

Gain Pro storages come installed with 3-point locking mechanism that additionally secures the top & the bottom of the door, unlike the single point locking mechanism that secures only the point of placement of the lock.

**Gain Pro's 3-point locking mechanism** makes it difficult to tamper with and force open the storage, and can be availed in Cam, Digital and Numeric lock configurations as well.

### Cam Lock

This much sought-after common locking solution comes in a compact size and can be provided in metal, as well as glass & wooden shutters. Equipped with a click action mechanism and easy key removal in both locked and unlocked positions. Available in all variants of Gain Pro.

### Numeric Lock

Gain Pro's 4-digit combination numeric locks allow for keyless operation, while providing a master key for management override. Ideal for individual users, and comes with 9999 numeric combinations for added security.

### Digital Lock

With 4.2 billion combinations to choose from, Gain Pro's digital locks are security personified. Allows easy keyless operation, and is suitable for shared, personal, or assigned use. Comes equipped with a micro-usb slot for power bank support.

### RFID Lock

Where your access card is the key! Gain Pro's RFID locks enable secure keyless operations, via key cards. Suitable for shared, personal, or assigned use.

**Gain Pro Personal Locker Units**

## Designed To Maximise Utility

From traditionally stowing away locker units in locker rooms or common rooms, Gain Pro Personal Lockers have made their place on the main office floor. Gain Pro Personal Lockers aid in optimisation of floor space, promote productivity and a sense of belonging to the space.

## Flexibility In Configuration

Gain Pro Lockers offer options of two door, four door and six door units to choose from, all while providing the user with a secure and accessible space to store their belongings.

### Mail Slot For Easy Organisation

Keep employee mail and packages organised and secure with Gain Pro lockers, available in options with and without envelope slot.
