## Rethinking Furniture For The Way We Really Work.

Work has changed more in the past five years than it did in decades. On any given day, we move between focussed solo work, quick huddles, and spontaneous collaborations. And modern offices are expected to keep up. Interio's Social Office 2.0 Lounge Collection is designed for this shift — a range of premium lounge seating and tables that bring choice, comfort, and flexibility to modern teamwork. Furniture designed for spaces that foster creativity, connection and wellbeing at work.

# Fabric that Feels Like Home, and Works Like Office

Our new furniture collection features materials and fabrics that up the style and appeal of any space. They feel soft and look elegant, while staying easy to maintain, day after day.

- **Plush Look**

Premium fabrics that add poise to work.

- **Better Materials**

Both felt and leatherette fabrics are eco-friendly options: perfect for conscious, comfortable office lounges.

- **Soft Touch**

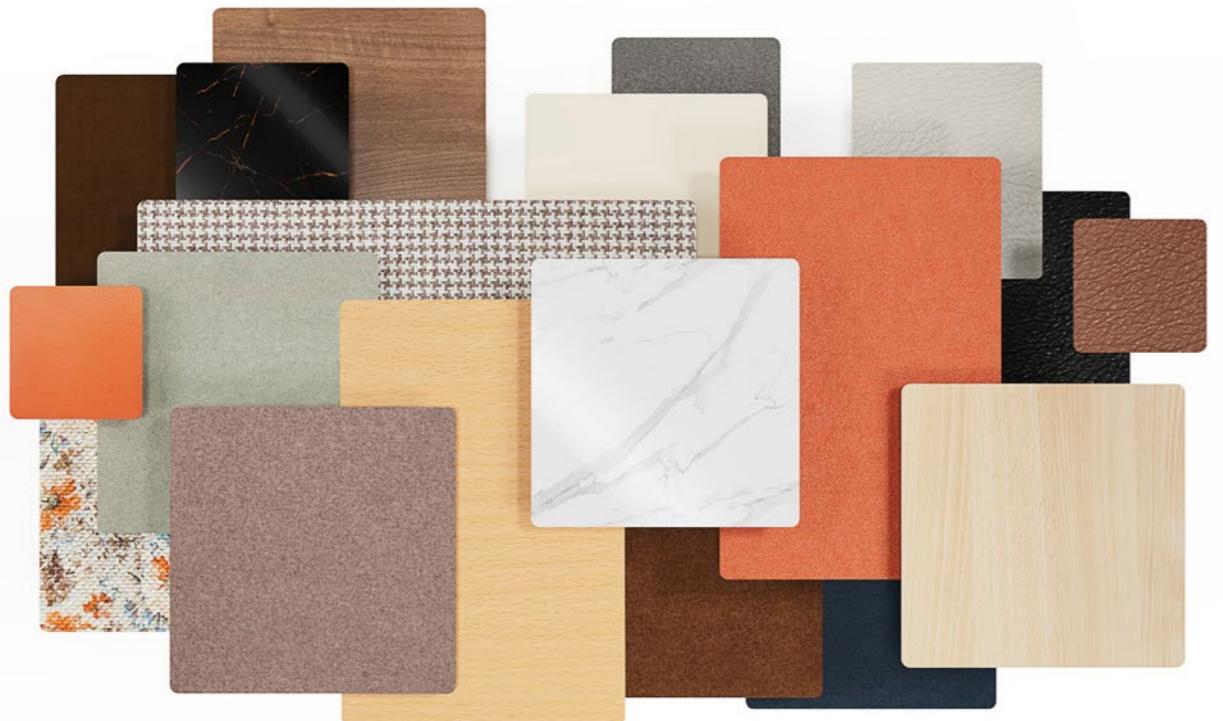

Ultra-comfortable, perfect for relaxation.

- **Enhanced Comfort**

Felt fabrics strike the right balance—allowing airflow while holding in warmth—making them perfect for cooler, air-conditioned workspaces.

# A Palette That Balances Work With Warmth

This sophisticated palette blends muted tones, warm woods, and refined textures: perfect for spaces that balance professionalism with a homely, inviting feel. From deep navies to soft greys and natural finishes, each element is chosen to make spaces feel composed and comfortable.

## • Nature-Inspired

Earthy tones that add warmth.

## • Versatile

Combinations that fit a variety of spaces.

## • Harmonious

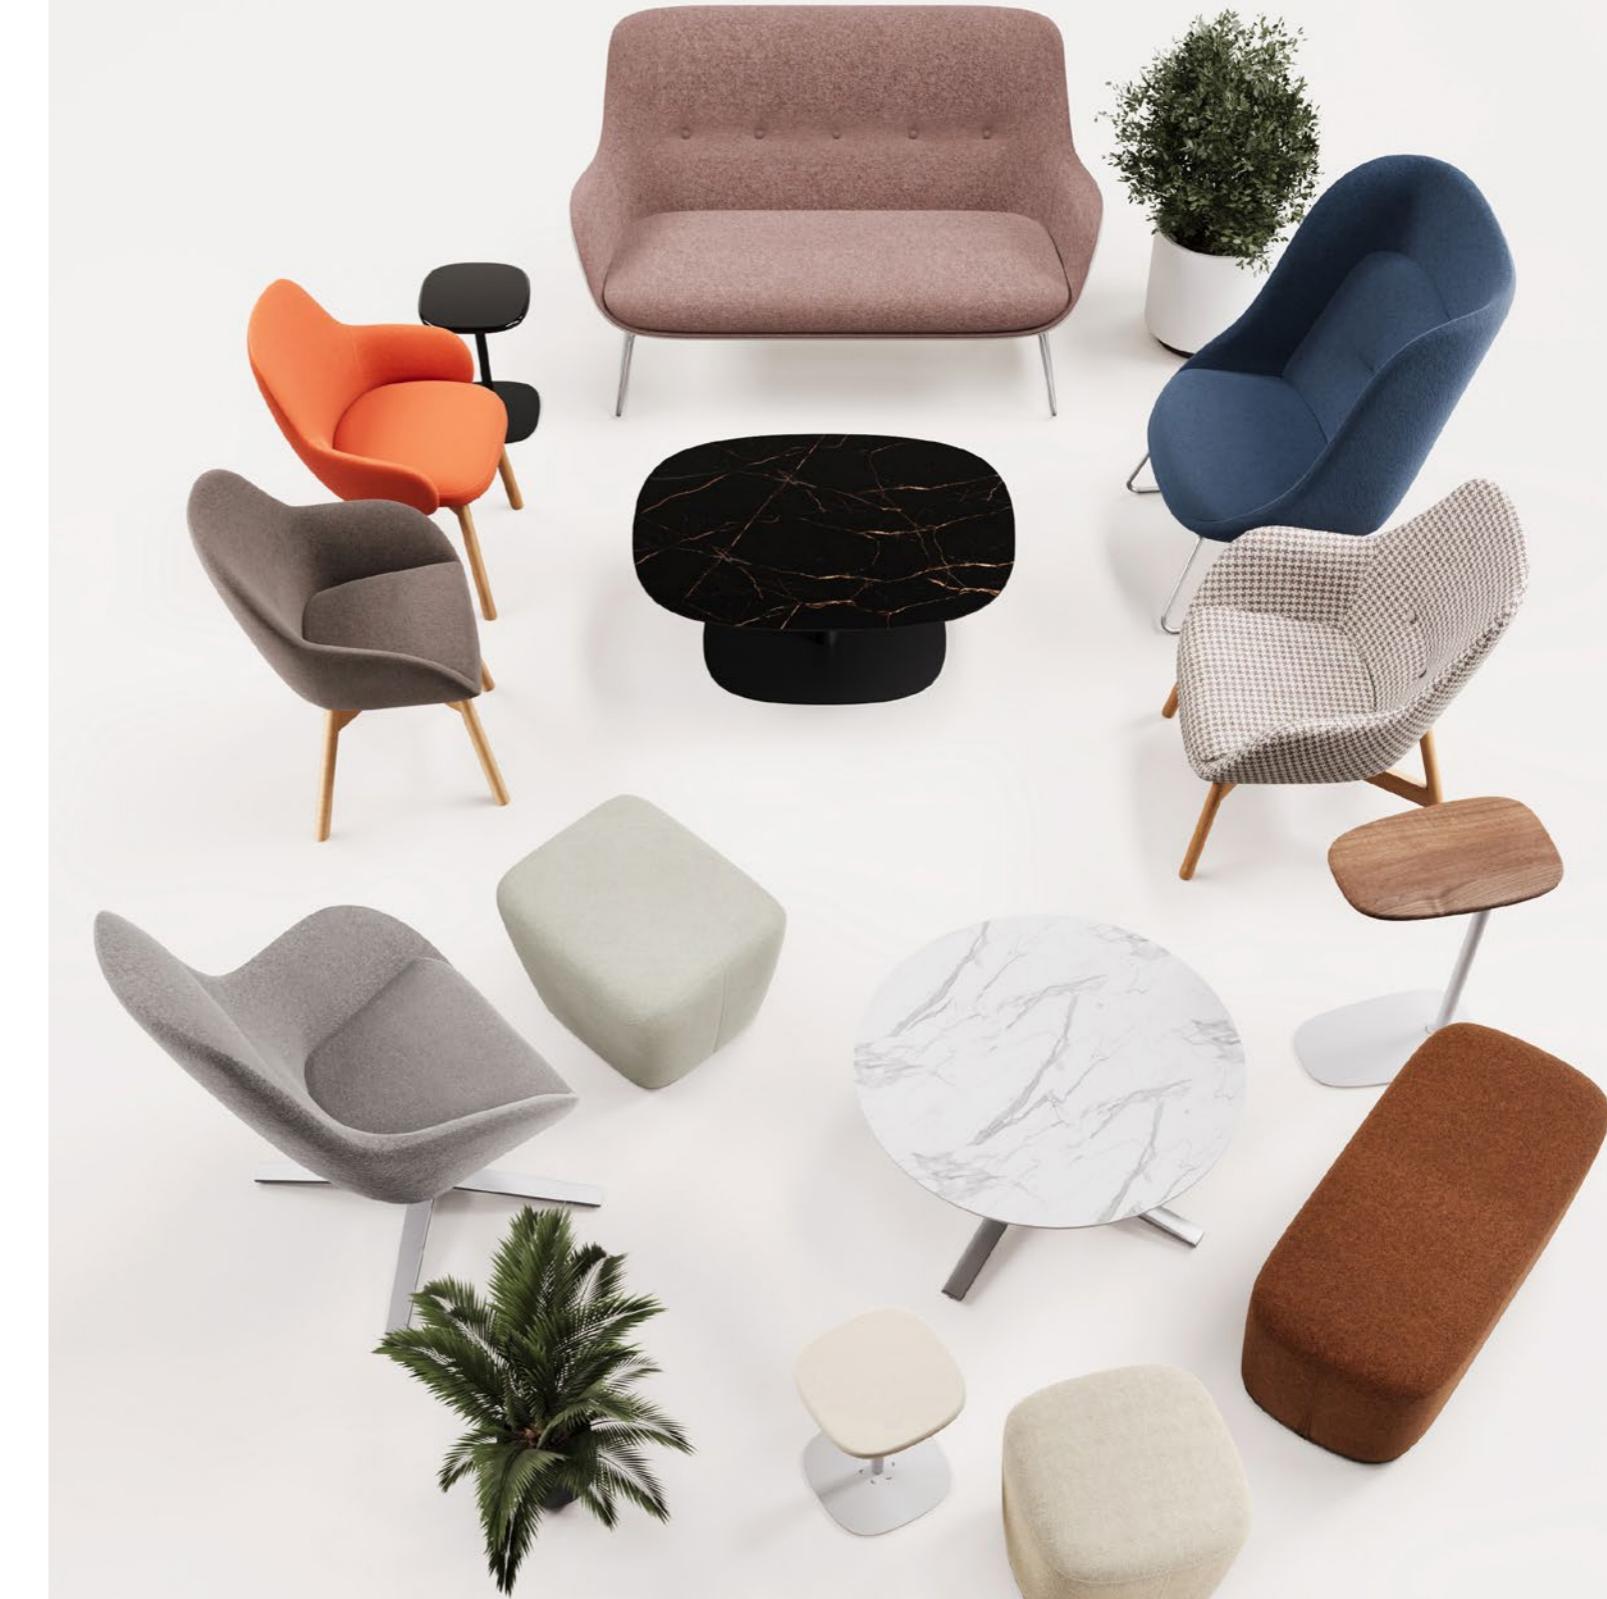

Includes comforting shades for a homey feel.

## • Inspiring

Hues that soothe and hues that spark curiosity.

## • Confident

Dual-tone option (fabric + leatherette) in select pieces.

# Choice That Shapes Your Space

A curated mix of seating and table options, this collection adapts to diverse settings and styles. From collaborative lounges to quiet nooks, the pieces are easy to mix and match—offering flexibility and a unified design language that makes your spaces look smarter.

- **Choice of Seating**

Armchairs, sofas, ottomans and poufs, for every need.

- **Choice of Backrest**

High-back, medium-back and low-back variants for every comfort level.

- **Sleek Understructures**

Wood and metal bases to match any ambience.

- **Multiple Configurations**

Single and double-seater options for any space.

- **Add-on Side Tables**

Lightweight, portable, and perfect for quick tasks.

- **Complete with Coffee Tables**

Designed to complement and complete the look.

# Comfort You Can Feel. Well-being You Can Trust.

Ergonomics is not just about technicalities, it is about empathy. At the heart of ergonomics is a focus on the comfort of the people using that piece of design. Our furniture blends ergonomic support with purposeful design so that people can fully focus on work, while the furniture takes care of their comfort, quietly.

- **Ergonomic**

Designed for comfort, with optimal support.

- **Uplifting**

For workspaces to feel conducive and inspiring, so that work thrives.

- **Purposeful**

Whatever your unique needs, there's a configuration that would work.

- **Adaptable**

Works across settings, from breakouts to huddles.

# Designed To Do More With Less

Built with durable materials, our furniture is designed for long-term use, reduced waste and a more sustainable future.

- **Built To Last**

Durable materials ensure long-term use and less waste.

- **Crafted With Care**

Thoughtfully designed for a greener future.
