# Dreams Range

'Dream sleeps' do come true. The Dreams Range is expertly crafted to deliver luxurious comfort, down to the little details. Plus, the mattresses in this elite collection boast of the flexibility to adapt to any body type.

A breakthrough feature that ensures you get the sleep you've been dreaming of, any time of the day. And wake up with new bounce that instantly lifts your spirits for the better.

# Air Sense

## Features

- The top layer contains the innovative 3D Silver Mesh® (a three-dimensional multifilament, interwoven open-wire 'spaghetti-like' material) that creates 95% free air space next to your body to facilitate good airflow to ensure smart temperature regulation and longer quality sleep.
- Your body experiences a floating feeling that comes with the pressure-relieving support at every mattress point.
- The air circulation inside the 3D Silver Mesh® helps remove moisture from the surface.
- Easily removable and washable top cover and 3D Silver Mesh® layer let the mattress stay clean and fresh.
- Enhanced comfort with bonnell spring core.

# Posture Support Range

The pioneering technology behind the Godrej Interio Posture Support Range is that it is designed and personalised based on your body weight. The best mattress is the one which supports the body weight when you are sleeping. As each one of us are different, we need specific mattresses to suit our body type.

Whatever position your body finds itself while you sleep, there is adequate support to your spine to retain its natural shape and avoid needless stress at the touchpoints. A peaceful sleep hence comes naturally, leading to lasting freshness the following day. A range of mattresses that truly gives you all the support you need.

## Posture Support Mattress

Posture Support Mattress is constructed by arranging materials with a logic developed from our research (pressure neutralising logic) to neutralise the pressure-points generated by body contours

The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emission limits, which create healthier interiors. The certification qualifies for LEED credits and IGBC credits.

In keeping with the Godrej policy of continuous development and improvement, the design, dimension and specification may be updated without prior notice or obligations. Form, Colour and Finish of product in this document are representative of design intent and may vary from actual. Colour options depicted in this catalogue are as close to what modern printing processes allow. All dimensions are in 'cm' and are subject to commercial tolerance. Our products are meant for indoor use only.
